LEGISLATIVE REFERRAL MEMORANDUM

TO: Legislative Liaison Officer of all Departments and Agencies

SUBJECT: H. R. 8748, a bill to revise, codify, and enact into law title 5 of the U. S. Code, entitled "Government Organization and Personnel".
(Codification is as of 3/31/59)

It is understood that the Judiciary Committee, House of Representatives, has requested the several Departments and agencies in the Executive Branch for a report on the subject bill. In responding to that request, it has been suggested that the proposed report be submitted in two separate and distinct parts: (1) a general report covering matters of policy, and (2) a technical report dealing with matters of form, language, and the like. Four copies of each part of the proposed report should be submitted to the Bureau of the Budget in the usual manner for prior clearance.

If additional copies of the bill are desired, they should be requisitioned from the Government Printing Office under the usual arrangement for purchase of such items.

To assist you in your examination of the bill, the Bureau has been advised that a limited number of copies of a Committee Print of the reviser's notes will be available from the House Judiciary Committee about October 1. Requests for a copy or copies of the Committee Print of the reviser's notes should be made direct to Mr. Charles J. Zinn, the Committee's Law Revision Counsel, Code 180, extension 3928. The requests may be made informally by telephone.

If additional information is required, with respect to the preparation and submission of the report, your questions should be referred to Mr. Allen E. Reed, Bureau of the Budget, Code 113, extension 423 or 424.
